# HOW TO ACCESS CLICKVIEW

- ClickView is a Video Learning application that allows teachers and students to access online Curriculum Related Video Material to assist with their teaching and learning.

- You can access ClickView as a student 2 (two) different ways

    - Your teacher may provide you with a ClickView link to view a specific educational video related to your class topic/content.

    - You can go directly to the ClickView website https://clickview.cnc.wa.edu.au/ to view all ClickView resources.

    - For both options you will need to log into ClickView.

- As a student you can log into ClickView using the same username and password that you use to log into 'Connect'.

- If you are unsure of your username and password, please call the College directly 9746 3500 for assistance.

Timber Furniture: The Design Process

- Summary
- Notices
- Content
- Discussions
- Submissions
- Library
- Learners

Click on the link below and watch the video 'Timber Furniture: The Design Process'

https://clickv.ie/w/iMym

Throughout the video, there will be questions that pop up on the screen that you will need to answer.

Before you start:

- Get a Blank sheet of lined paper and a pen.
- Write the title ''Timber Furniture: The Design Process' at the top of the page.

You will need to pause the video when the questions pop up on the screen.

Write each question and the answer.

You can pause and rewind the video if you need to review the content to locate the answer.

When you have completed all *20 questions*, you will need to upload your answer sheet in the 'Submissions' tab.
