VOLUNTARY CONTRIBUTIONS AND CHARGES

The following information is provided in the hope of making the contributions and charges structure clear for parents. The schools costing structure and tight budget relies heavily on prompt payment of Voluntary Contributions and Compulsory Charges. Prompt payment also minimises administration time and costs involved in following up outstanding charges. There are three components to the financial requests.

Voluntary Contributions

The College is requesting a voluntary contribution of **\$235 for each Year 7-10** student towards the cost of materials, resources and facilities used by students in the educational program. Payment of voluntary contributions enriches your child's learning experiences and opportunities.

Charges

Year 8, 9 and 10 Elective Courses which students have selected may attract a compulsory charge.

Year 11 and 12 are considered post-compulsory and therefore all charges are considered compulsory under the Education Act Regulations. There is no maximum charge for these charges; however, the College will keep costs to a minimum.

Year 11 and 12 - Text Books form part of the compulsory course charge and must be supplied by parents.

Optional activities in any course for which there is a high cost associated with their provision – e.g. excursions, camps, specific higher cost materials, competitions, outdoor education, etc.

Other optional activities which address broad learning outcomes and for which there is a high cost – e.g. social events, excursions, camps, carnivals, etc. A maximum cost for these has been listed, and parents only pay if students take part. These costs will be collected throughout the year as the activities arise.

Voluntary Approved Requests

Payment of the voluntary approved requests enriches the learning program for students at the College. They include contributions for Library resources, basic medical supplies, P&C Contributions and support resources for the College Chaplain. The College Board has approved the following requests:

Parents & Citizens (P&C) Contribution

The College also asks for a voluntary request to the P & C of **\$20.00 per family**. This voluntary contribution will be used to supplement and subsidise school excursions and other extra curricula activities. This is at the discretion of the Cape Naturaliste College Parents and Citizens Association.

Chaplaincy

The Chaplain supports students who are experiencing difficulties in their personal life. Their involvement with students and their families is invaluable as a counsellor and mediator. A voluntary contribution of **\$15.00 per student** is requested.

Library Resources

The College provides an annual budget to purchase books and resources for student use in the library. The library voluntary request is to supplement this budget and provide additional reading materials and resources for students' use. A voluntary request of **\$20.00 per student** to assist in providing these resources is requested.

Medical Supplies

There is a voluntary request of **\$5.00 per student** to support the cost of basic medical supplies which are necessary for the nurse and first aid officers to care for your child.

Please support the College by paying these contributions.

Please do not hesitate to contact the College on 9746 3500 if you have any queries regarding contributions and charges or should you wish to discuss payment options or arrange a payment plan.

The College costing structure and tight budget relies heavily on prompt payment of voluntary contributions and charges. This minimises the administration time and costs involved in following up outstanding charges:

1. Accounts will be mailed to parents at the beginning of the year.
2. Reminder statements will be emailed Weeks 3 and 7 each term during the year to families where payments have not been made by the due date. This will be followed up with phone calls, emails and SMS messages where necessary. If accounts remain outstanding and no contact is received from families within the specified time, an interview will be required with the Manager Corporate Services or Principal to discuss further action.
3. The College recognises that some families may require special consideration of their financial position when paying contributions and charges. Families are encouraged to make contact with the College if they are experiencing difficulties with making payments. The Manager Corporate Services or Principal has the discretion to negotiate and recommend a payment arrangement that is suitable to both the family and the College. A payment arrangement once established, will be expected to be adhered to.
4. If parents make no effort to attempt to pay the compulsory charges or do not respond to communication from the College or will not come to an arrangement on the payment, a Debt Collection Agency may be engaged to recover outstanding charges.
